A Guide to Annapolis Shopping,  
Dining and Area Businesses

# A Brief History

Annapolis became the capital of Maryland in 1695, and the State House doubled as the nation's capital from 1783 to 1784. It was in the Old Senate Chamber that George Washington stepped down as Commander-in-Chief of the Continental Army before assuming the presidency. The Maryland State House is the oldest state capitol in continuous legislative use in the United States.

In addition to the State House, you will find many houses and buildings that are over two hundred years old. In fact, there are more surviving colonial buildings in Annapolis than anywhere else in the country!

St. John's College, the third oldest college in the country, was founded in 1696 and was attended by Francis Scott Key, author of the Star Spangled Banner.

Annapolis is also home to the U.S. Naval Academy. Explore its 338-acre campus, known as the "Yard", has been designated a National Historic landmark. Drop by the Armel-Leftwich Visitors Center to find out about tours and explore this historic campus.

## Parking in Annapolis

There are many convenient options for parking, including Gotts Court (Calvert Street), Hillman (Main Street), Bladen Street (Calvert and Bladen streets), Park Place (Westgate Circle) and Knighton Garages (Colonial and West Street). Please refer to the map for specific locations.

Many downtown merchants provide free parking for their customers through the Park and Shop program. Look for the Park & Shop logo in participating stores.

### Navy/Marine Corps Stadium

Look for the Stadium lot when you exit Route 50 onto Rowe Blvd. into Annapolis. We recommend you park here if you will be visiting for more than a couple of hours. Two different, free shuttle routes go between the stadium and downtown.

### Hours are:

#### State Shuttle Service:

Monday - Friday 6:30am - 8:00pm

#### Navy Blue Shuttle Service

Monday - Friday 9:00am - 6:00pm

Saturday - Sunday 10:00am - 6:00pm

In addition to the free shuttle service, downtown Annapolis is now a Free Fare Zone:

Board free any Annapolis Transit bus from Compromise Street (on the Annapolis side of the Spa Creek Bridge) to Westgate Circle. This includes Duke of Gloucester Street, Main, and West Streets and Church Circle. Passengers must be traveling within the FFZ for free travel. Passengers riding beyond Westgate Circle will be charged regular fare.

#### State Lots:

Offer free parking on the weekends.

**Bladen Street Garage** – Free parking in the evenings 6 p.m. to 6:00 a.m. and on weekends.

**Valet Parking** – Seasonally available on Compromise Street, near City Dock. Some businesses will validate valet parking for their customers.

#### Metered Parking on Streets/Parking in

##### Restricted Zones:

Meter hours are:

Monday - Saturday 10:00am - 7:30pm

Sunday 12:00pm - 7:30pm

Parking in many residential areas is limited to two hours unless you have a residential permit. The two hour limit at meters in restricted residential-zoned areas is strictly enforced by uniformed Parking Enforcement Officers. Do not park by yellow or red lined curb areas.
